ACKNOWLEDGMENT

We would like to express my gratitude to all those who helped us to complete this project. We would like to thank the faculty members in the Department of Computer Science and Engineering, SCT College of Engineering, Thiruvananthapuram, for giving us the opportunity and facilities to undertake the study of this topic and for its successful completion.

We are deeply indebted to our Guide, **Smt. Kutty Malu V. K.**, Assistant Professor, Department of Computer Science and Engineering, SCT College of Engineering, whose help, stimulating suggestions and encouragement helped us throughout the duration of the study. Her technical knowhow and valuable hints were of immense help to us for carrying out the study.

We would also like to thank our project co-ordinator **Smt. Kavitha K. V.**, Assistant Professor, Department of Computer Science and Engineering, SCT College of Engineering, for the continued support and guidance throughout the course of the project.

We are also obliged to **Smt. Dr. Soniya B.**, Associate Professor and Head of Department (Department of Computer Science and Engineering), SCT College of Engineering, for the support and encouragement provided by her to make this project a success.
